

BCBA Position in the Greater Atlanta Area

Are you looking to work in an established agency with high ethical values and you sincerely want to make a difference in the lives of families affected by Autism Spectrum disorder? If so, come join our amazing team! Applied Behavioral Consulting, LLC (ABC) is a child and family-centered ABA agency seeking Board Certified Behavior Analysts (BCBA) to join our team in the Greater Atlanta area. ABC is an accredited Behavioral Health Center of Excellence (BHC OE).

We strive to provide high quality, ethical and empirically-based services based on the principles of Behavior Analysis. We support children with an Autism Spectrum diagnosis and their families from the ages 2 through 10 years old. We provide individualized, comprehensive programs which target skill development and behavior interventions in home, school, and (upcoming!) clinic settings.

As a BCBA at Applied Behavioral Consulting, you'll be offered a manageable caseload, ongoing training and mentorship to help develop your clinical, supervisory and leadership skills.

BCBA Benefits:

- Flexible full- and part-time caseloads available: Salaried positions as well as employee with billable hours positions. Full-time based on 30 billable hours per week.
- Competitive compensation based on experience (\$67,500 up to \$91,000 per year)
- Health insurance for full-time employees
- 401(k) with non-elective company contribution and year-end profit-sharing
- Paid time off and paid holidays
- Paid membership to professional organizations (ABAI, APBA)
- Fully paid yearly conference attendance including travel, hotel and meals
- Paid CEUs and certificate renewal
- Quarterly performance-based bonus for salaried positions
- Ongoing training and supportive mentorship by Senior BCBA's
- Referral bonus program

BCBA Qualifications:

- Active BCBA certification
- Minimum of 1 year experience in designing and supervising evidence-based treatment for children with developmental disabilities, autism, and/or challenging behaviors
- Experience with VB-MAPP and electronic data collection
- Ability to conduct Functional Behavior Assessments
- Collaborative approach to working with families, therapists and other professionals
- Strong written and verbal skills

If interested, please send your resume or CV to info@appliedbehavioralconsulting.com.
